

ONE MONTH TO GO!!

All the session information is now available

All the session information of the ISH2022 is now available on our [website](#), with the details and [abstracts](#) of top speakers of the plenary and featured lectures.

Please check it up and plan your schedule to take the most of it!

We keep updating the program on our website and you will find that the ISH2022 in Kyoto is one of the **"SHOULD NOT MISS"** congresses this year.

► Please check the highlights picked up in the next page.

VISA Application Burden will be Relaxed & EARLY-BIRD registration is now available until Sept. 19

[With the news that Japan plans to remove visa and travel agency requirements for tourists in the near future](#), we extended the Early-bird Registration period until **23:59 (JST) Sept. 19**, expecting more participants onsite.

Please share the information with your colleagues and friends to encourage their participation to the ISH2022.

Check the latest information for traveling to Japan on the [MOFA website](#). We also keep you updating with the latest news on our website, SNS and e-mail news.

One-Day Virtual Ticket is now available

Nonetheless, if you have any specific program that you want to join, we now set up a **"ONE-DAY VIRTUAL TICKET"** as a new option to participate in the ISH2022.

This ticket is available for those who are

- 1) attending online, and
- 2) attending any specific day in the 5 days congress.

Please check the program and plan your participation for any day during the congress. Please check [here](#) for details.
